Judith Beale Scholarship

The Judith Beale Scholarship promotes educational and professional development by providing students and archives professionals with funding to attend the SFA Annual Meeting. Named in honor of professional archivist and SFA member Judith Beale (d. 2010), the scholarship pays tribute to Judith’s boundless enthusiasm for the archives profession and to her passion for working with students. Successful applicants receive complimentary registration for the Society of Florida Archivists’ Annual Meeting. Exceptional applicants also receive a stipend to help defray travel and lodging costs. Qualified applicants must be current students pursuing an undergraduate or graduate degree or professionals in the archival community with a demonstrated financial need to attend the annual meeting. Special consideration is given to graduate students and individuals new to the archives profession in Florida.

The call for applications is announced in January of each year.
